**“I have a full-time job. However, I can't afford to go to a doctor, dentist, or optometrist. I cannot afford the high blood pressure medication that I need. What I really needed was a friend, and, in Storehouse For Jesus, I have found just that. These caring, loving, and capable people provide me with all of these medial services free-of-charge.**

Because of you and your staff, I needn’t feel that way anymore. I felt excepted there, I felt comfortable. No one acted better or superior to anyone else. For that I thank you so much”**

**“I began coming to the Storehouse about 4 years ago when I lost my job. I have been a professional for over 30 years and never had to ask for help before. I was always able to care for myself.**

**We heard about the Storehouse where we were received with open arms. At Storehouse, they do require proof of income, which was no problem as I had none and my wife was only able to obtain part-time employment.**

**In July 2007, I became very ill from either a spider bite or snake bite – I believe it was a spider bite. I was hospitalized for two months and had home health care for six months after that. I thank God for Storehouse and their fabulous clinic and pharmacy as**

**Living on \$3000 - \$4000 a year, if it was not for the clinic and pharmacy, I guess I would have died. I can see wonderful doctors and medical staff and be treated for my illnesses and receive the medication I needed at no charge.**

**"My husband lost his job and I didn't know where to go. I was talking to a friend and she told me there is help out there. I said, 'Really, where?' She referred me to Storehouse For Jesus. She gave me a number and I called. They said, 'Sure I could come there'. I went and was asked, 'How can we help you'? I said, 'I need medicine for my husband – he doesn't have health insurance. Besides that, I said, I 'm ready to help myself get better, I'm always taking care of everyone else'. The volunteer said, 'Let's see what we can do for you' and then we prayed. The pharmacy is a blessing for they had exactly what I needed. The volunteers are absolutely beautiful people. So if I were to judge Storehouse For Jesus, it would be the greatest place in the world that's come into my life. Thanks."**

**"I want to thank you for helping me the last time I was here. You were here at the right time and were compassionate and understanding with all the things that was happening in my life. I owe you my life. There is so much I want to tell you, but I can't say it all. You are worth a million bucks – and all the gold in the world. I wish all the best for you."**

**"To the angel that sponsored my lil niece:**

**I just wanted to send a card saying thank you from the bottom of my heart. She is a special lil girl and she's dear to my heart. It saddens me that I can't provide for all the children that I'm helping take care of but its hard with only one income in the household and 6 children to provide for with only 2 being my biological children. I thank God that we have angels on Earth to have a kind and loving heart to make Christmas for children special. To show Jesus love for us all. I never expected so much but we're forever grateful. Again, thank you so much. Be blessed!"**
